#### 2017-2018 Annual Report - Equal Exchange Table

Through UU Service Committee's Equal Exchange Fair Trade Products Project, we are linked to small farmer and food products cooperatives around the world. EE, also a cooperative, supports these farmers by packaging and selling their fair trade products (including coffee, chocolate, olive oil, nuts, dried fruits, and other items) to those who wish to support their work. A small percentage of their profits go back to UUSC Small Farmer Fund. Our Congregation receives all the profits from our table sales as a donation.

During the 2018 Fiscal Year thus far (July 1, 2017 to present) we are pleased to report that our Equal Exchange table sales have made it possible for us to donate all our profits, totaling \$1500.

Our committee includes:

- Pam Brightman, co-chair
- Nessa Richman, co-chair
- Rosemary Galiani. Treasurer

We thank the UUCSC community for supporting this effort, and send a special 'thank you' to outgoing committee member and co-founder of the UUCSC Equal Exchange table, Essjay Foulkrod, for her vision and years of service!

Please contact Nessa Richman at [nessa.richman@gmail.com](mailto:nessa.richman@gmail.com) with any questions.
