

## **Hospitality Committee 2017-2018 Report**

Chair Mike Henry and co-chair Ellen Perkins.

### **Statement of Goals**

- The Hospitality Committee helps to build community and fellowship among members and friends of the Unitarian Universality Congregation of South County.
- Solicit and schedule congregation members to host the Coffee Hours that occur after each Sunday service from September to June and as needed for UUCSC functions.
- Develop and modify as necessary instructions laying out the duties of a Coffee Hour volunteer host and provide guidelines on Coffee Hour food and beverage offerings.

### **Description of accomplishments/activities for the 2017-2018 year**

- Began September offering coffee hour twice each month, but then began offering it each Sunday starting in December due to the regular monthly participation of the Wellness team. Thereafter, coffee hour has occurred after each service, unless the coffee hour was unneeded or superseded by other events.
- The Committee did not formally meet this year due to scheduling issues, and lacking an urgent need to meet. Communication occurred in person before or during coffee hours or via email as needed.
- The Committee may reduce in size next year since Mike Henry is considering whether to stop serving on the Committee.

### **Goal(s) for 2018-2019**

- Continue to successfully offer a coffee hour twice each month or even weekly without the participation of Co-chair Mike Henry.
- Solicit new Committee members or establish a process for ensuring that volunteers are identified to help set up and clean up with minimal effort and uncertainty.
