

February 2020

Dear Board,

Office activities have been pretty regular/standard this month. Mary Alice and I successfully issued all 1099s to musicians, speakers and consultants and it went very smoothly. The UUA certification has been completed, and stewardship activities will begin shortly. In anticipation of stewardship, I have begun to print pledge cards, OLLy cards and mailing labels, and will be printing the accompanying letter as soon as it is received.

Our calendar continues to be very full, with many committees having meetings, small groups, activities such as MLP 'n More, Yoga, Shamanic Journeying, Meditations, Gong Baths, AA, Sangha, D4W, membership classes, Huddle Groups, presentations, educational sessions, etc. We have had a few outside inquiries as well, and I am expecting a few of them to be scheduled soon.

With regards to the building, the heat was not working last week, so Smith Co. came out to replace a wire; all is working well now.

Kind Regards,
Karen
