We selected a new singing bowl and updated the liturgy. We sent thanks and good wishes to Ann Seeman for her work in organizing the summer services for 2019.

We held a worship associate training and members of the committee were trained in how to safely start up and shut down the sound system.

We developed a Worship Committee handbook.

We continue to work on the challenge of keeping the services smooth flowing and timely including announcements and Joys and Concerns.

We addressed concerns about cultural appropriation and will continue to keep these concerns in mind when inviting speakers.

In person services were cancelled due to COVID 19 in the middle of March and staff began to produce online services. The UUA has recommended that in person services be suspended until May 2021.
