

## **Minister's Report, June 2020**

This month has been filled with the process of preparing to leave. Key efforts are focused meeting with worship & pastoral care committees, closing out with staff, and undertaking a healthy goodbye. As you know, two goodbye meetings have been held, and two more will follow this week. My final sermon this Sunday will focus on this, "A Good Goodbye" as well.

I've been spending time reinforcing that I need to be absent for 2 years, and that room must be made for whomever is next as minister.

General Assembly is next week, and I will be virtually attending much of that.
