UUCSC MISSION and VISION

OUR MISSION

The Unitarian Universalist Congregation of South County (UUCSC) is a welcoming, loving spiritual community practicing Unitarian Universalist principles. We offer a safe, respectful environment for personal and spiritual growth for children and adults. The UUCSC serves as a resource for social and environmental action and peace.

VISION STATEMENT

The Unitarian Universalist Congregation of South County expresses the power of our faith in making choices to transform ourselves and our community. We serve as a liberal beacon seeking truth, spiritual growth, and celebration in diverse religious traditions and theological beliefs. As we minister to each other with caring and compassion, our strong bonds in love and friendship will sustain our children and our planet through our actions.

Our sanctuary will marshal resources for a warm, inspiring spiritual environment, inviting notice and participation from the broader community. We will become increasingly respected as a principled religious congregation that initiates action and stimulates change to strengthen the broader community.
