Application for The Carolyn Steere Hurdis Fund for Social Justice

The Carolyn Steere Hurdis Fund was established through a generous gift from the estate of UUCSC’s beloved Carolyn Hurdis, in keeping with her lifelong passion for dismantling racism and advancing social justice for all, including youth. Priority will be given to (1) programs or events that actively involve both UUCSC members and members of the wider community, and (2) programs or events that are ready to go with a specific, actionable plan.

This restricted-use fund exists to financially support UUCSC’s efforts to be more present and more effective as a force for social justice in our community, through programs and events that seek to undo racism and other oppressions.

Applications should be submitted to the Congregational Administrator (mail to uucscri@gmail.com) and will be forwarded to the Hurdis Fund Committee for review.

Name:_________________________________________________________

Contact information:_____________________________________________

Name of Program/Event:_________________________________________

Description of Program/Event:___________________________________

(Lead organizer, Dates (recurring or one-time), location, # of people involved, partner organizations, goals, what communities will be served?)
